

I'm not robot!

You wouldn't necessarily think that an albeit famous 17th century French novel would make a relevant and fascinating piece of cinema... but it does. The first thing that strikes you is how well the film is lit and shot. The period locations and costumes are visually sumptuous and perfect. Better yet, the acting entirely matches the skill of the direction that takes its method from the theatre - emotions are conveyed by expression and not dialogue. Glenn Close gives her best performance on celluloid as the scheming Madame de Merteuil, amorally hellbent on bending everyone to her will, no matter the method or the cost, and John Malkovich is her perfect foil as the cynical hedonistic but world-weary Valmont. Michelle Pfeiffer engages our empathy as the tortured and manipulated target of Malkovitch's desire and Close's plotting. The film is basically a morality tale, but one that fascinates in its exposure of ego, vanity, intrigue and the war between the genders, subjects that are timeless in their relevance, despite the period setting. The storyline, which sticks faithfully to the original novel, remains compelling throughout as we watch deceits within deceits take their tragic course. Wholeheartedly recommended - take your time over it, and enjoy. Free download available in PDF, epub, and Kindle ebook formats. Or read online. Skip straight to downloads. Dangerous Liaisons, written by French writer and Army General Pierre Choderlos de Laclos is an epistolary novel published in four volumes on March 23, 1782. The novel is considered to be one of the most scandalous and controversial novels ever written in European literature. The book depicts how the wealthier class use their power and money to influence and control others, and explores themes such as seduction and revenge. Some people saw it as an attack on French nobility, depicting their corruption and general depravity - although others see it as just a story about two people completely lacking in morals. The former theory would appear to be a bit suspect given that Laclos had the benefit of the patronage of Louis Philippe II, Duke of Orléans. The book was also read by the likes of Queen Marie Antoinette. It is possible that the book was only seen as a political work after the French Revolution. The story revolves around two narcissistic aristocrats and ex-lovers Marquise de Merteuil and Vicomte de Valmont. Both play seduction games and delight in their powers of manipulation. In their bid to take revenge on each other, they seduce a pious married woman and a virtuous young maiden, with both of them going to greater extents to satisfy their love for seduction and vengeance until the situation inevitably ends in tragedy. The novel inspired many writers and film and stage creators to release adaptations. One of its notable appearances on film was the 1999 teen drama "Cruel Intentions." № 8 in The Guardian's 100 Greatest Novels Of All Time. This book has 325 pages in the PDF version. This translation by Thomas Moore was first published in 1812. Production notes: This ebook of Dangerous Liaisons was published by Global Grey on the 6th May 2018 and updated on the 23rd August 2021. The artwork used for the cover is "L'Indiscret" by Louis-Léopold Boilly. I run this site entirely on my own. Last week, around 28,000 people downloaded books from my site - 7 people donated.
